PERMISSION

I hereby give permission for the above named athlete to try-out and participate in Woodford County Middle School's _____ program. I understand that some interscholastic programs may require try-outs and that elimination of some students may be necessary. If my child does not make them, I can receive written explanation of area(s) in which my child may need improvement, upon request. I understand that physical conditioning may be strenuous and that a proper physical examination is required before my child can participate in any practices or games. My child's involvement will be subject to the Woodford County Middle School SBDM Council policies regarding participation and eligibility in extracurricular activities. My child is responsible for the care and return of any equipment that has been issued for participation.
